

Insurance Policy

We feel the best thing about our style of dentistry is our commitment to quality. If you've been with our practice awhile, you already know our attention to detail and fine materials is second nature to us. However, we understand that everyone's financial situation is different.

We work with most dental insurers but we are not providers for the carriers. Carriers vary, but we'll try to help you get the most benefit out of your particular policy. We'll fill out your claim forms with you and answer any questions we can. Please keep in mind that you are responsible for your total obligation should your insurance benefits result in less coverage than anticipated. We ask that you pay your portion at each visit.

We accept major credit cards and, if you qualify, we'll work with you to devise a method of payment amenable to us both.

If you share our belief in quality dentistry – the best dentistry we can possibly do – then we'll find a way to make it part of your life.
